

Introduction

What concerns me is that _____

REMOTE CONTROL RELATIONSHIPS

Telephone use and relationships in the past: _____

We are a society that is increasingly _____

One danger with this trend is that _____

The idea of disturbing ourselves to serve another is becoming _____

Example of man controlled by his machine (car): _____

The church now has an opportunity to offer something lacking in the lives of many: _____

An obvious social need has emerged: _____

Christ's purpose for believers in the world:

- Matthew 5:13 _____

- Matthew 5:14 _____

- Matthew 13:33 _____

Do these analogies sound like we're supposed to _____

- We have to _____

- We have to _____

- We have to _____

We can only do this by _____

REMOTE CONTROL PRAYER LIFE

- Another danger present in our remote control life-style is that _____

Prayer is our appeal to God for _____

Prayer as a remote control activity is _____

When we talk in God's presence and open ourselves to growth, we become different.

- We become _____

- We become _____

- We become _____

- We become _____

SUMMARY AND INVITATION

What will you take with you from this place this morning?

- If you leave with the understanding that _____
